

Vision 2020 Video Premiere Parties

You are cordially invited to join us for the premieres of the exciting new short film connected to our [Vision 2020 Campaign to End Child Poverty in Wisconsin](#).

This twenty-minute inspirational Vision 2020 video features interviews with Wisconsin advocates and programs that are making a difference in reducing poverty throughout the state. The film illustrates with humor and powerful imagery the transformation we can make if we create a statewide network of poverty advocates focused on placing poverty at the top of our policymakers' agenda.

The premiere parties are informal events, giving you a chance to learn about the Vision 2020 Campaign, see the video, and learn how you can get involved. These premiere parties are open to the public and we encourage you to bring friends and colleagues. Refreshments will be provided at all premieres!
